Remarks

Welcome to this spacious 3-bedroom brick home filled with character and potential. Thoughtful updates have already been made including a new roof, creating a strong foundation for your personal finishing touches. Enjoy abundant natural light streaming through large windows, enhanced by recessed lighting and a cozy fireplace that anchors the inviting living space. Each room offers generous space and comfort, while the full basement provides endless possibilities for storage, recreation, or future expansion. Outside, a large yard offers room to relax, entertain, or create your own outdoor retreat. This home is a wonderful place to start your next chapter.
